

Welcome to the CasBar Café,
Madison's original Hookah Bar.

Our all-natural imported tobacco is enhanced with a variety of flavors, the following is what we try to offer.

- Apple •Jasmine
- Mango •Mint
- Mixed Fruits

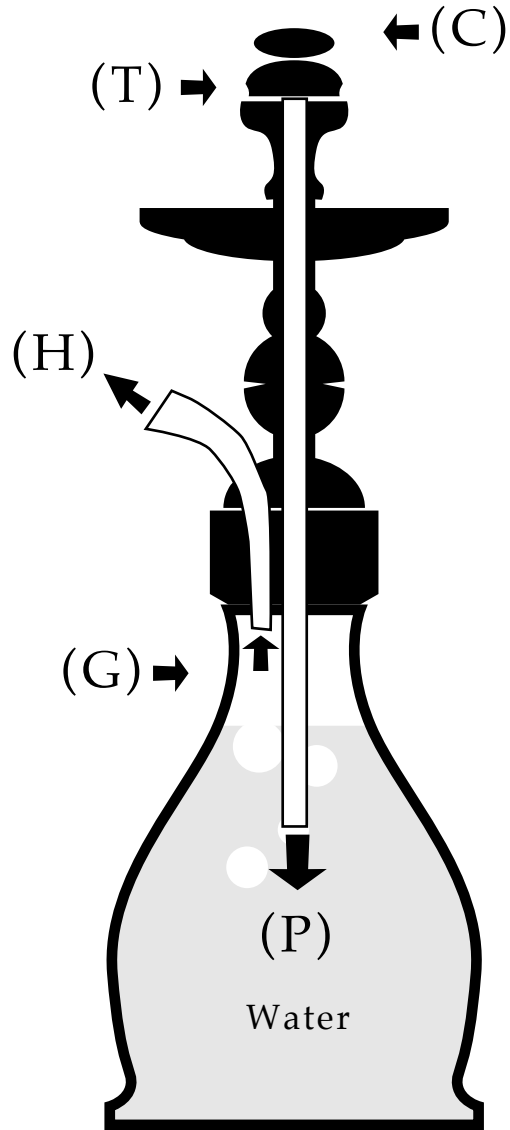

Under normal use, two friends can enjoy a serving for at least one hour. When carrying a Hookah, use both hands, one to secure the glass part. All flavors are \$10. For sidewalk table Hookahs service, we require an I.D. or a C. Card as a deposit.

How does the Hookah work?

How Does the Hookah Work?

Simple. Using the hose (H), the smoker creates a vacuum in the water filled glass chamber (G). Replacement air is drawn through the hot charcoal (C) and tobacco (T) to enter the chamber through pipe (P). Forced through the water, the smoke is filtered* and cooled for maximum enjoyment.

*This does not make tobacco a safer product.
